Contact individual departments directly for current information on enrollment restrictions.

*Mass Comm 102 & 104 only admit officially declared Mass Comm majors through the end of Phase II of Tele-Bears. Intended Mass Comm majors should never attempt to enroll in these classes until they have completed Mass Comm 10 or an equivalent course.

** Mass Comm 130 & 180 are only open to officially declared Mass Comm majors.

Enrollment instructions for students who are not officially declared Mass Communications majors:

Mass Comm 10 is only offered at Cal during the fall and summer semesters. Enrollment in the fall is limited to sophomores (These students will have completed between 30 and 59.9 semester units through the preceding spring term.) and junior college transfers who specifically listed Mass Communications as the intended major on their admissions application to the university. Summer session's Mass Comm N10 also satisfies the majors' MC 10 prerequisite. It is much easier to enroll in this course than in MC 10 during the fall. . There is no waiting list for MC 10 in the fall. Students unable to enroll in the course for the fall should send Marty Gaetjens an e-mail (sfyankee@uclink4.berkeley.edu) with the subject heading of "MC 10". This e-mail should include their student ID number and identify any MC prerequisites taken elsewhere. These e-mails will be reviewed by faculty. These e-mails will not receive responses. Students should attend the first lecture of the course for further instructions.

Mass Comm 102 & 104 only admit officially declared Mass Comm majors through the end of Phase II of Tele-Bears (August 12th.). Intended Mass Comm majors should never attempt to enroll in in these classes until they have completed Mass Comm 10 or an equivalent course.

Non majors attempting to enroll in these courses should place themselves on the waiting list and also send Marty Gaetjens an e-mail (sfyankee@berkeley.edu). Thet should include a subject heading of the class number (MC 102 or 104) they're attempting to enroll in. Please include student ID number, identify any MC prerequisites taken

elsewhere and list suitable alternative discussion sections for MC 102. These e-mails will not receive responses. Non majors should consult Info-Bears (642-9400) from August 27 through the first week of classes concerning their status in these courses.

Academic credit for internships is only approved for officially declared Mass Comm majors.
