Please contact individual departments directly for current information on enrollment restrictions, if you're unable to enroll in a particular class.

**Enrollment instructions for students who are not officially declared Media Studies majors:**

Media Studies 101 and 104 only admit officially declared Media Studies majors through the end of Phase II of Tele-Bears (January 13). Intended Media Studies majors should never attempt to enroll in these classes until they have completed Media Studies 10 or an equivalent course.

\*Non-majors attempting to enroll in Media Studies 101 and/or 104 should place themselves on the waiting list and also send Marty Gaetjens

an e-mail ([sfyankee@berkeley.edu](mailto:sfyankee@berkeley.edu)) with the subject heading of the MS course(s) in question. Please include student ID number, identify

any MS prerequisites taken elsewhere and list suitable alternative discussion sections for 101. These e-mails will not receive responses. Students should consult Info-Bears from January 18 through the first week of classes concerning their status in these courses.

\*\* Media Studies 160, 170, 180 & 190 are only open to officially declared Media Studies majors.

Academic credit for internships is only approved for officially declared Media Studies majors with junior or senior standing. Please contact Jean Retzinger for details.
