Women's Studies 111, Sec 1: Mass Media and Culture	MWF 11-12

\*\*\*\* Students who aren't officially declared Mass Comm majors attempting to enroll in MC 101 should get on the waiting list and send an e-mail to [sfyankee@uclink4.berkeley.edu](mailto:sfyankee@uclink4.berkeley.edu), using a subject heading of "Mass Comm 101". They should include their student id number in the text of their message requesting to be added to this course. Very few, if any, of these students will be admitted to the class. They should check their enrollment status for the course by calling Info-Bears (642-9400) after January 17.

Please remember to be flexible about courses with sections. If you put yourself on the wait list for a high demand (prime-time) section, you may be passed over by others (even non-majors) who have been more flexible in their choices.

We recommend using Phase I priority units if you wish to enroll in Bus Adm 160 or 165. You must enroll on the wait list. Non-Bus Adm. majors are not added until after the start of classes. Seniors have the best advantage.

The Mass Communications major has nothing to do with the restrictions departments may have set for courses that they are offering. Please check with the department offering a class if you're seeking clarification about why you are unable to enroll in a particular course.

Credit for internships is available only to officially declared Mass Comm majors with junior or senior standing.

**DEADLINES:** Starting February 11, all add/drops and grading option forms require your major advisor's signature; add forms require additionally an instructor signature. The deadline to either drop a course without a notation on your transcript or change the grading option is March 15.

**OFFICE HOURS:** Marty Gaetjens has drop in tele-BEARS hours daily from 9-11:30 am and 2-4:30 pm.

### **Enrollment instructions for students who are not officially declared Mass**

#### **Communications majors:**

Mass Comm 10 is only offered at Cal during the fall and summer semesters. Enrollment in the fall is limited to sophomores (These students will have completed between 30 and 59.9 semester units through the preceding spring term.) and junior college transfers who specifically listed Mass Communications as the intended major on their admissions application to the university. Summer session's Mass Comm N10 also satisfies the majors' MC 10 prerequisite. It is much easier to enroll in this course than in MC 10 during the fall.

Mass Comm 102 & 104 only admit officially declared Mass Comm majors through the end of Phase II of Tele-Bears. Intended Mass Comm majors should never attempt to enroll in in these classes until they have completed Mass Comm 10 or an equivalent course.

Non majors attempting to enroll in these classes should place themselves on the waiting list. They should also send Marty Gaetjens an e-mail ([sfyankee@uclink4.berkeley.edu](mailto:sfyankee@uclink4.berkeley.edu)) with the subject heading of the class number (MC 102 or 104) they're attempting to enroll in. This e-mail should include their student id number and identify any MC prerequisites taken elsewhere. Non majors should consult Info-Bears (642-9400) from August 21 through the first week of classes concerning their status in these courses.

Mass Comm 130, 160 and 190 are only open to officially declared Mass Communications majors.

Academic credit for internships is only approved for officially declared Mass Comm majors.
