Mediast 10 is only offered at Cal during the fall and summer semesters. Enrollment in the fall is limited to sophomores (These students will have completed between 30 and 59.9 semester units through the preceding spring term.) and junior college transfers who specifically listed Media Studies as the intended major on their admissions application to the university. Summer session's Media Studies N10 also satisfies the majors' MS 10 prerequisite. It is much easier to enroll in this course than in Mediast 10 during the fall. A list of approved transferable substitutes for the class may be found at

<http://ugis.ls.berkeley.edu/mediastudies/major.php?page=prerequisites>

There is no waiting list for MS 10 this fall. Students unable to enroll in the class should attend the first lecture of the course for further instructions. No discussion sections will meet before the first lecture.

*Mediast 102 and 104B only admit officially declared Mass Comm/Mediast majors through the end of Phase II of Tele-Bears (August 14.) Non majors attempting to enroll in 102/104B should place themselves on the waiting list and be certain to attend the first lecture.

Intended MS majors should not attempt to enroll in these classes until they have completed Mass Comm/Mediast 10 or an equivalent course.

** Mediast 130, 180 & 190 are only open to officially declared Mass Comm/Mediast majors.

Credit for internships is available only to officially declared Mediast majors with junior or senior standing. Please contact Professor Jean Retzinger for details.
